

KAMYA SIDE TABLE

KAMYA SIDE TABLE

Taho Living was born from a simple belief, that things made slowly, with skill and intention, last longer and mean more.

We work with some of India's finest metal craftsmen to create pieces that feel both rooted and relevant. Think heritage techniques, modern forms, and a deep respect for the materials we use.

Our collections blend the brutality of metal and stone with the warmth of thoughtful design, built to belong in homes that value both story and style.

Kamya

Side Table

Kamya, sculpted from solid brass, it's silhouette is quiet but assured - a tapering form, wider at the base, restrained at the top.

Kamya Side Table

It's surface is imperfect by design: slightly uneven, softly hammered, carrying the trace of the hand that shaped it. Kamya does not declare itself. It grounds the scene.
