

SHANI SIDE TABLE

SHANI SIDE TABLE

Taho Living was born from a simple belief, that things made slowly, with skill and intention, last longer and mean more.

We work with some of India's finest metal craftsmen to create pieces that feel both rooted and relevant. Think heritage techniques, modern forms, and a deep respect for the materials we use.

Our collections blend the brutality of metal and stone with the warmth of thoughtful design, built to belong in homes that value both story and style.

Shani

Side Table

Shani is layered, stepped, almost topographic - like a staircase carved into a hill side, or an altar made of shadow. It feels ancient, not styled..

Shani Side Table

These are matte, grounded, and architectural -
shaped to hold space, not fill it.
