

DWARKA VASE

Taho Living was born from a simple belief, that things made slowly, with skill and intention, last longer and mean more.

We work with some of India's finest metal craftsmen to create pieces that feel both rooted and relevant. Think heritage techniques, modern forms, and a deep respect for the materials we use.

Our collections blend the brutality of metal and stone with the warmth of thoughtful design, built to belong in homes that value both story and style.

Dwarka Vase

The Dwarka Vase is an irregular form, shaped by the quiet chaos of nature. Its curves are inspired by the beach sands of Dwarka, where no two steps ever leave the same mark.
