

SARAL SIDE TABLE

SARAL SIDE TABLE

Taho Living was born from a simple belief, that things made slowly, with skill and intention, last longer and mean more.

We work with some of India's finest metal craftsmen to create pieces that feel both rooted and relevant. Think heritage techniques, modern forms, and a deep respect for the materials we use.

Our collections blend the brutality of metal and stone with the warmth of thoughtful design, built to belong in homes that value both story and style.

Saral Side Table

The Table was born from a single idea: to serve, simply and beautifully. Its form is honest and unembellished, shaped by purpose rather than decoration.

Saral Side Table

The polished brass surface adds a hint of warmth, catching light in a way that softens its geometry.
