

TUJA SIDE TABLE

TUJA SIDE TABLE

Taho Living was born from a simple belief, that things made slowly, with skill and intention, last longer and mean more.

We work with some of India's finest metal craftsmen to create pieces that feel both rooted and relevant. Think heritage techniques, modern forms, and a deep respect for the materials we use.

Our collections blend the brutality of metal and stone with the warmth of thoughtful design, built to belong in homes that value both story and style.

Tuja Side Table

A circular top, wide and calm, rests on a cylindrical base of travertine - a stone formed through slow accumulation, erosion and sediment.

Travertine Marble

23.5 x 23.5 x 17.25 in

Tuja is sculptural, but not expressive. It does not perform. It refuses to orbit. It sits exactly where the pull is strongest-where form becomes destiny, and pause becomes power.
